Features

Transitional Design.

Grow your sales in the popular transitional market with Joleena.

2-Spray Functionality.

In the kitchen, easily switch between the aerated and lockable shower sprays with the push of a button. Larger pull down for easy handling.

Lever Handle.

The Joleena bathroom collection is ADA compliant. The lever handles are suitable for those with limited dexterity.

Aerated Spray.

Joleena lavatory faucets feature an aerated spray for a more voluminous flow. Available at 1.2 GPM or 0.5 GPM.

Vertical Stop.

The Joleena kitchen faucet features vertical stop to avoid the handle hitting the backsplash.
